FREE TRAINING

For anyone getting involved in communities

Could you share your existing knowledge and skills supporting people in the community with others?

Do you want to access free standardised training?

Do you have a member of staff who always goes the extra mile for communities?

Would you like to be part of a network of people that see the value in staying connected and creating community led changes?

Do you want to increase your existing network of knowledge and local support?

Do you want to get to know others?

About the free training:

This standardised Community Organising training looks at Listening, Action, Power, Reach and more whilst creating a stronger more informed network of people that we know are already out there being champions for their communities and its people.

Training is available by Zoom and other methods.

Community First, Wiltshire County Council and Wessex Community Action would like to thank you all for the amazing support that you have been giving to others.

We are offering free training and network access to give you a platform to continue what you are doing but to also access support

and build on your existing skills while looking to further connect our county.

We see so many people supporting people in their communities, be it through volunteering, friendship, work, your organisation or groups and clubs.

Wiltshire Council, Community First and Wessex Community Action have come together to offer a FREE training and network opportunity for anyone who would like to get involved more in their community,

We would like to invite you to join our network to strengthen and build on the knowledge that is already within Wiltshire around support for people in communities.

We will be offering:

Free accredited training: with the opportunity of receiving a certificate upon completion.

Community Organising training around Listening, Power, Action, Reach and Change. Additional training can be tailored to suit the needs of your community or group, and also support with using the Your Care Your Support Site.

Access to a Community Led network that seeks to Connect, Support and Empower:

Sessions will be available to encourage reflective learning and peer to peer support.

Working together to share our

experiences and skills will make our connections stronger across Wiltshire and will improve the way that we can all connect and help each other.
