## Insurance Act 2015

This policy is compliant with the principles of the Insurance Act 2015 law reforms. It also incorporates an 'opt out' which aims to promote good customer outcomes. We have opted-out of the 'proportionate reduction of claim remedy' available to insurers under the Act. This means that in cases of non-disclosure or misrepresentation which are neither deliberate nor reckless, if we would have charged an additional premium had we known the relevant facts, we will charge that premium and pay any claims in full rather than reducing claims payments in proportion to the amount of premium that would have been charged.

We believe that our 'additional premium approach' should, in most situations, be more favourable to our customers when compared to the proportionate reduction of claim remedy. Our additional premium approach does not affect our right to apply the other remedies available under the Act for non-disclosure or misrepresentation.

## Our complaints procedure

We are committed to providing a high level of customer service. If you do not feel we have delivered this, we would welcome the opportunity to put things right for you.
