Our Offer:

A dedicated supportive youth worker who will listen, support and encourage you through your time with our service

A support plan created by you and your youth worker identifying what help you would like to receive

Access to one to one sessions with your youth worker to work on the areas that you have identified in your support plan

Fun activities (face to face and online) during evenings, weekends and school holidays

Access to one to one or family counselling sessions to help you cope and recover from your experience of crime

Help to understand and access restorative justice options

The opportunity to meet with other young people who have experienced crime to discuss how improvements could be made to the current journey that young victims of crime go through and the services they work with

Support to access local clubs

The opportunity to progress to our youth volunteering programmes and help support other young people
